Domaine : Phonologie « les alphas »

Objectif : être capable de reconnaître les alphas correspondant aux voyelles d'après leur chant spécifique, et reconnaître les consonnes longues et le chat d'après une formule magique composée de mots dont le phonème initial est identique à celui de l'alpha concerné.

1. Ecoute le chant de l'alpha voyelle dit par la maîtresse puis colorie-le .

2. Ecoute la formule magique de Cosmopolux puis colorie l'alpha et écris le chiffre demandé à côté de l'alpha qui pourra prendre le tunnel :

3. Ecoute la formule magique de Cosmopolux puis colorie l'alpha et écris le chiffre demandé à côté de l'alpha qui pourra prendre le tunnel :
